Roof Sails 'Like Kite' In Gooderham Tornado

Newmarket—Eye witnesses to the weekend tornado which spelled disaster for many, caused millions of dollars damage and took the life of a 12-year-old girl, were Lawrence Wright and Mr. and Mrs. Walter H. Stephens, all of Newmarket. Mr. and Mrs. Stephens have a summer home eight miles from Gooderham where the storm lashed out with its first blows. In an interview yesterday, Mr. Stephens recounted the combined observations of the three people.

"We had driven out of the business section of Gooderham to return to our cottage and were still in the residential section on the shores of Pine Lake. The hail started to come down and we stopped to watch the stones, which had the diameter of 50 cent pieces, hit the water, causing it to splash as high as 18 inches in the air. Then we saw the storm approaching.

"It was like a gigantic, funnel-shaped revolving cloud. We were in an elevated spot looking over the village and the storm struck from the north across the lake. Lawrence closed the windows and we sat and watched.

Trees Uprooted

"The trees along the shore, which were only 30 feet from the car (we measured it afterward), bent over the road and then either broke off or were uprooted. Many of these were pines a foot in diameter. At about the same time I saw the water in the lake rise up like a cake of ice and shift several feet to the west.

"The car swayed in the storm but didn't move from its position. A few feet south and over the bank was a drop of probably 100 feet which was our danger.

The storm then crossed the road and struck again in the mill yard. The air to a height of probably 200 feet was filled with lumber, the pieces flying as if they were match sticks. After it had passed, the north side of the mill looked normal but the south side was unroofed and shattered. The south half of the roof had gone sailing through the air like an enormous kite.

"Then the storm struck the C.N.R. station, entirely wrecking the upper storey and throwing five box cars from the track. From there the tornado went west, doing comparatively little damage in the village itself but entirely wrecking the agricultural hall on the outskirts.

"Going further west, the storm picked up four summer cottages on the north side of the river, turned them upside down and hurled them into the water against the south bank. Later a transport driver told how, despite the fact that he had his brakes on, the tornado shoved his truck along the street.

"I thought that it would be some time before our car could proceed because of the number of trees which had fallen all around it and I was amazed at the dispatch with which the road was cleared. Lumber men from two mills came and cut the trees into lumber lengths and removed them. They did not waste a thing. We also saw the railway crew putting the box cars back on the tracks on Sunday with seeming facility.

"Our feeling after it was all over was not one of relief from danger, but rather that we had been to a good movie—but I don't care for another experience of the kind, thank you."

RECEIVES DISCHARGE

AB W. H. "Bill" Denne, son of Mr. and Mrs. Wm. Denne, Elm St., has received his discharge from the Royal Canadian Navy Reserve and arrived at his home on the weekend. A veteran of four years in the navy, two of them during wartime, Bill enlisted after leaving Newmarket high school. He was on the Uganda on its peacetime cruise "around the Horn". A brother, "Bud", is also a navy veteran. It is believed that Bill is the last Newmarket navy man to receive his discharge.

AURORA MOVES TO REGULATE EATING SPOTS

Aurora—As of Oct. 1, all restaurants, eating houses, and tourist homes serving meals in Aurora will require a municipal license, according to a by-law passed by council on Tuesday.

"Since Toronto has been cleaning up its restaurants, I have received several complaints, some from tourists, regarding cleanliness of dishes and toilets in local restaurants," said Mayor Ross Linton.

Under the provisions of the by-law, licenses will only be granted to "persons of good character," the clerk deciding this. Provision is made for an appeal to council for any application refused. The premises will be inspected four times a year, and the police are empowered to enter the premises upon complaint at any time. Tippling, gambling, and the harboring of "disorderly persons" may be causes for revoking a license in addition to sanitary regulations.

Goodbye is being said to the pin-ball machines now in several of the restaurants, as the by-law makes their operation illegal along with cranes and slot machines. The prohibiting of pin-ball machines brought considerable discussion as it was felt by some members that they were not gambling games, but amusements.

Councillor Stewart Patrick said many smaller children were playing pin-ball machines in restaurants and spending "too much money" that way. He thought the elimination of pin-ball machines would do away with much of the present loitering in restaurants.

"I believe you will have better eating houses without pin-ball machines," said Councillor Thomas Swindle. "It doesn't speak very well for the recreation provided for youngsters in town if they must play these machines for amusement."

"The only thing we've left out is the physical examination of hired help twice a year," commented Councillor Patrick.

'Objectors, Approvers, Doers' Same As W.I. Women Here

This is the second letter written by Anna P. Lewis, daughter of Mr. and Mrs. Chas. Lewis, Yonge St., Newmarket, and superintendent in Ontario for the Women's Institutes. Miss Lewis is travelling through England and Wales before attending an international convention of women in Holland. The first letter appeared a few weeks ago and others will appear as they reach us.—Editor

"We have just completed one wonderful week with Miss Christmas touring Middlesex, Bucks, Oxford, Wilts, Dorset and a wee bit of Devon. The whole experience has just seemed 'out of this world'. It has been a thrill of a life time to open the page of history and see it live before our eyes.

"We, as you know, brought over a whole trunk full of food for our hostesses and for our own use so have had picnic lunches along the way. This all saves us time and it means we have a nutritious, well balanced diet—all of which we need with an itinerary as full as ours.

"Our hearts go out to the women here who try to manage their households on the rations provided. I sincerely hope many of our Institutes will 'adopt' Institutes here and take a personal interest in the welfare of our sister women. They have taken it so bravely but their bodies show the lack of good food.

"The Women's Institute women are marvellous—so much like our own women back home—with their friendly personalities and kindly deeds. From the moment we reached Liverpool we have had W.I. friends to help us.

"The other day as we were going through Windsor Castle we noticed a group of happy, friendly women join the party—and, looking around, saw the W.I. pin—green and gold with a red

rose in one corner and a maple leaf in the other. Of course, we immediately began to talk with them and felt right at home. Poor Miss Christmas had a dreadful time breaking us away in order to stick to schedule and reach our Taplow Women's Institute meeting in time. It made my heart feel good as I heard one of the women in the group mention after we had gone through several rooms in the castle, 'I wonder who on earth does the dusting'. How wonderful it is to have practical-minded women all over the world who, in thinking about the big things, do not forget the practical side must be looked after too.

"As we walk into each Institute meeting that friendly atmosphere greets us and immediately we feel at home. I could imagine I was walking into a meeting in any county or district in Ontario. As the minutes are read we hear that they have been doing the same things as we and, believe it or not, they have the same 'objectors, approvers and doers' over here. Fortunately, as with us, most of them are the doers. We have, however, some wonderful new ideas which we shall tell you about when we see you. More stress generally is placed on drama, music, lively games and 'outings'. Within the Institute special groups are formed of

MISS CLARA KITTMER APPOINTED AS P.H.N.

Newmarket—Dr. J. Gordon Cook, chairman of the Newmarket Board of Health, said this week that a new public health nurse has been employed to replace Mrs. Margaret Maloney, who was appointed at the beginning of the summer. Mrs. Maloney, a widow with one child, was unable to locate suitable accommodation in town and has now accepted another position.

The new appointee, Miss Clara Kittmer, who assumes her duties at the end of this month, has had 19 years of public health work and comes to Newmarket from the vicinity of Galt where she was responsible for the health of the children in 19 township schools. Dr. Cook said that no difficulty is expected from the delay because of the complete files kept by Miss Helen B. Gardner, public health nurse last year.

Two Found At Safe, Say Patrol Vindicated

Newmarket—Two youths, ages 10 and 17, are in custody in Toronto awaiting trial here on charges of breaking into the offices of W. H. Eves and Co. early Monday morning. They were remanded until Friday when arraigned in magistrate's court in Toronto on Tuesday.

Constable W. H. Hill said he saw the two men in a restaurant at about 12.30 a.m., and later at about 4.45 a.m., spotted them in the Eves' offices while making his regular night patrol rounds. "One was looking out of the window while the other worked on the safe," he said. "I ducked when I saw them, but they saw me when I ducked and they both jumped too. I recognized both of them, but at the time only knew the name of one.

"I went to the front door and it was locked, so I ordered them to come out with their hands up. One turned and ran through a doorway to the rear of the building. I fired a shot in the air, partly to scare them and partly to summon Constable Leeder, and then ran around to the back of the building in the hope that I might catch them both still in the building.

"I went in through a rear window and through to the office. One was still there crouching in a corner, but the other had disappeared. I handcuffed the one to the radiator and went in search of the other. Constable Leeder answered my call and came to aid in the search but we could not find the second man. We took the one I had handcuffed into custody and locked him up. Then Chief Constable Ronald Watt, Leeder and myself all continued the search for the second man. Constable Leeder took him into custody at his home at 3.50 p.m. on Monday.

The younger of the two boys resides in Weston, while the second is a Newmarket boy.

"The judgment of the police committee and of the police department in the disposition of men so that there are two men on night patrol and only one man available for daytime duty, despite the fact that this sometimes means inadequate traffic patrol, would seem to have been vindicated by the action of the police in the break-in at the W. H. Eves and Co. offices early Monday morning," Councillor R. C. Morrison said on Tuesday. At 4.45 a.m. on Monday morning Constable William Hill surprised two youths in the Eves' offices, captured one and took him into custody. The second youth was taken into custody by Constable James Leeder at his home late in the day.

The disposition of police manpower into a two-man night patrol with one man for day duty has been the subject of heated discussions at meetings of the Newmarket town council this year as council was asked to vote on several motions put forward by the police committee. The most recent discussions took place when the town was asked to consider a police cruiser, and each time such discussions took place several members advocated the discontinuation of the night patrol in favor of more daytime traffic patrol.

"The number of break-ins in this district after 6 p.m. warrant adequate night protection, and with the addition of a police cruiser, we will be able to improve both," Councillor Morrison continued.

"It is always advisable to have a two-man night patrol, so that if one man gets into difficulties the other man can either give assistance or go for aid, whichever course is the most practical."

Mrs. M. M. Smith is nursing Mrs. Fred Chantler. Mrs. Chantler is progressing nicely.

Aurora Service Stations Limit Business Hours

Aurora—Service stations and garages will be closed from 7 p.m. to 5 a.m. daily in the months of January, February, March, April, May, September and November in Aurora from now on. In the months of June, July and August they will be closed from 9 p.m. to 5 a.m. Council passed the by-law following the attendance of a representative group of service station and garage operators who presented a petition signed by 75 percent engaged in this line of business within the municipality. "There is no alternative but for council to pass the by-law," explained the town solicitor, Lorne C. Lee.

"It simply means that no garage repairs will be done, or flat tires fixed either for tourists or residents in these hours or else the person doing so is subject to a \$50 fine," said Councillor Dr. Crawford Rose. "A lot of business will be chased out of town but that's their own business," said Deputy-Reeve Asa Cook.

The by-law takes effect on September 15.

EDITOR'S NOTE

This week, with its Monday holiday, two of our three type-setting machines decided the time was ripe for a break-down. Locating the difficulties and a delay while waiting for new parts meant the machines were immobilized until Thursday morning. As a result, the paper was reduced to its eight-page size. The editorials and other features were left out.

a by-law restricting building in the new Cousins' subdivision to detached, one-family dwellings excepting physicians and dentists. The town planning committee will study the by-law before third reading is given. "We should have a by-law covering the opening of stores and other businesses wherever people like," said Councillor Stewart Patrick.

Councillor Charles Davies said the town planning committee was considering the matter of zoned areas and might bring in recommendations at some future date.

Service Friday For Mrs. Garfield Rogers

Ill since last May, Mrs. Cora Henderson, wife of Garfield W. Rogers, Pearson St., Newmarket, died at her home Tuesday morning. Born in Ravenshoe, the daughter of the late Mr. and Mrs. Joseph Henderson, she married Mr. Rogers April 20, 1904.

A member of the Society of Friends, her chief interest was in her home and her friends. Besides her husband, she is survived by two sisters, Mrs. R. N. Birch, New London, Conn., and Dr. Frances Hunter, Grand Junction, Colorado.

The funeral service will be conducted at her home, 11 Pearson St., tomorrow at 2 p.m. Interment will be in Newmarket cemetery. Pallbearers will be E. J. Wright, Frank Brammer, B. C. Hughes, Chas. Near, H. Whyte and Max Smith.

"ROAST" FOR SCOUTS

Newmarket—John Hines, chairman of the group committee for the Newmarket Boy Scouts and Cubs, is holding a corn and weiner roast for Scouts and Cubs at his cottage at Pine Beach Friday night. All Scouts and Cubs are asked to be at the Scout hall Friday night at 6.45 p.m. for transportation to the lake.

LAST RITES HELD FOR MRS. ANNIE WEBB

Funeral services were held in Stroud United church on Tuesday for Mrs. Annie Webb, mother of "Ang" Morrison, Newmarket. Mrs. Webb died on Saturday in her 72nd year.

She was born in Guthrie, the daughter of the late Mr. and Mrs. Angus Graham who kept a store there. She married Charles Morrison, who predeceased her in 1919, and in 1921 remarried Benjamin Webb, who survives her.

She was a member of, and held several positions in the Stroud United church, and she also belonged to other women's organizations. Flowers were one of her chief interests. Five brothers and one sister, Mrs. Mac Cameron, Toronto, also survive. Her brothers and son acted as pallbearers at her funeral.

Mrs. Webb died at the Royal Victoria hospital, Barrie, after an illness of about a year. Prior to the church service, a service was held at her home. Interment was in Stroud cemetery.

HOPE TO EMPLOY 50 AT DRILL HALL

Newmarket—An independent business, the Ontario Truck Body Company, owned by E. K. Jackson, which is starting in the drill hall, hopes to employ at least 50 people. The plant will be building all welded steel truck bodies, either plain or insulated, milk delivery vans, platforms, and stake racks.

Mr. Jackson comes from the White Motor Company where he was plant and production superintendent, building trucks, buses, and truck bodies. He is the first to build the type of truck body which is to be made here.

When the plant is in full production, he expects it to turn out five complete truck bodies a day; there will be 14,000 square feet of work space.

Mr. Jackson said that there is no shortage of material for production which comes from the White Motor Company, sole distributors for the material used for this type of body. He said that production would be starting as soon as machinery arrives and is installed.

COMPLETE RECORD

Chance's Lady Atwood 98037, a Jersey cow bred by O. M. Heacock of Kettleby, and owned and tested by Mrs. Alice Hawkes Robinson, Newmarket, has completed an eight-year-old record of 10,982 lbs. milk, 518 lbs. fat in 340 days with an average test of 4.72 percent.

AWARDED SCHOLARSHIP

Aurora—Willison Crichton, Kettleby, who last week was awarded the John Stuart scholarship, has been awarded one of the Reuben Wells Leonard scholarships at University College, University of Toronto, which carries with it a cash award of \$300 and free tuition, or a total possible value of \$1,020.

He has also been awarded the King township scholarship, provided for by the University of Toronto by Prof. V. W. Bladen and a group of interested township residents. The scholarship, in existence for several years, has never been awarded before.

Miss Gerry McDonald, Aurora, has been awarded the second King township scholarship.

SEEK LAND FOR HALL

Aurora—The council is taking under consideration a request from George Duffield that the municipality purchase land to provide for the building of a Canadian Legion hall. Mr. Duffield outlined to council plans he was submitting to the Aurora branch regarding the building of a hall and urged council to consider this. He pointed out lots had been provided for quite a few veterans at \$1 but there were not enough to go around, and the purchase of a lot for the legion would make up for what the town lacked by way of further lots.

YORK RANGERS BEGIN TRAINING SEPT. 11

Aurora—On Tuesday, Sept. 9, and Thursday, Sept. 11, the 25th Armored Regiment, Queen's York Rangers, will begin fall and winter training at Aurora Army and recruits are sought for the county regiment. All the officers of the squadron and many of the n.e.o.s are ex-servicemen. Training in wireless, diving and maintenance, and deisel engine is given in addition to the military training common to all arms. A tank, 75-pounder, Browning and Bren guns are on hand, and plans have been made for an active outdoor program as well as social events. Major James Westhead, the officer commanding, will welcome any persons interested in joining the unit.

WIN AT C.N.E.

Charles Walton, Kettleby, breeder of Cheviot sheep, scored impressive wins at the C.N.E. Mr. Walton took down six firsts, eight seconds, and a number of thirds as well as best ewe of class. John W. Bowser scored some important wins in the Aberdeen-Angus class, and Chas. Burns of Kingsmere Farms swept the Guernsey class including Grand Champion.

TAKEN TO HOSPITAL

Newmarket—Ken Johns, Newmarket, who was only recently discharged from Sunnybrook military hospital, Toronto, was taken to Orillia hospital on Sunday night suffering a recurrence of cardiac trouble. He was visiting Mr. and Mrs. Frank S. Smith at their cottage at Kapuskasing when the relapse took place.

Ken's mother, Mrs. A. Johns, and his brother-in-law, Harry Boag, today went up to Orillia to ascertain the seriousness of his condition.

HOLD TAG DAY SEPT. 13

The L.T.B. are holding their annual tag day on September 13. If those wanting to tag would please give their names in to 92 Main St., Newmarket. There are four prizes given to the four highest taggers to help the orphan children.

336 ENROLLED

Aurora—There was an enrolment of 350 pupils at Aurora public school on Tuesday and Principal Delroy Babcock predicted this figure would reach 370 as illness and holidays kept some pupils away. The figure is below that of last year. Twenty-one pupils were accepted in first grade. In the absence of Mrs. Stephen Komar through illness, Mrs. Ewart Pinder is on supply, while Miss Edna Griffin from Saskatchewan replaced the late Mrs. Ralph Grieves. D. Clark has replaced Donald Webster on the staff.

Sandamo Sales Show Increase of 35 Percent

(The Financial Post)

Sales for Sandamo Co., Leaside, with a branch in Newmarket, for the first six months of 1947 were up 35 percent over the same period last year, according to the Financial Post. Earnings have also shown an improvement over last year's record.

Orders on hand and an improvement in the supply situation ensures maximum production for the balance of the year at least. Continued high demand holds for both meters and motors and for both domestic and export markets. A number of South American and Central American countries are showing particular interest in company products, it is stated.

The company experienced a slight reduction in output in June and July due to shortages in copper and copper wire and the plant was closed for two weeks in early August for holidays. It is expected that full production stride will be hit again by the first of September. Supplies of certain light materials have come in better quantity during summer and officials are arranging for all-out production for fall and winter months. Employment is currently running slightly higher than wartime peak. Approximately 40 persons are employed at the Newmarket division which will not get into high gear for several months yet.

Net profit for 1946, amounting to \$204,727, represented a record for the company. Sales in that year exceeded any previous year in company's history.

School Supply Rush Said Avoidable If Co-operation

Newmarket—In last week's issue of The Era and Express, it was reported that the managers of stores handling school supplies in Newmarket were "apprehensive of the 'first day rush'" for school supplies on September 2 and on Tuesday of this week it became apparent that their apprehension was well founded. There were so many little people in the stores it reminded one of Dagwood's bathroom.

These same managers now report that while the opening day of school may begin "the good old golden rule days" as far as the children are concerned, it also begins a king-sized headache for them.

"We thought that we were well set to receive the children and to fulfill their needs but now we find that we have a large stock of books for which no one is asking and we are short of texts for which there is a large demand. Our estimates have been considerably out because we have not been able to obtain the co-operation of the school teachers," they said.

"We called H. A. Jackson, supplying principal of the three public schools, some time ago and asked him for lists of books which would be used in the Newmarket schools, but he said that he could not give us these lists because there are seven new teachers this year and he did not know what books they would use.

"As far as the authorized books are concerned, we are all right. But in some subjects the department of education issues lists of recommended books and leaves the choice up to the individual teacher, which is where the slip-up occurs. We only stock a small supply of each of the recommended texts because there is no constant demand year after year for any recommended book. When one is recommended, we soon run short. Two or three of the high school books are not off the press yet, so naturally they are in short supply.

"However, the point is that if we were given better co-operation by the teachers we could give much better service." One manager said that because of the present system some children were coming into the store and asking for books he had never heard of.

Another complaint of these men is the still prevalent insistence on the part of teachers that the pupils buy "brands". "The

PLAY-OFF SCHEDULE

The Newmarket Ladies' softball team meets Sarnia in the finals for the Ontario Intermediate B softball championship. The first game is being played on Saturday at 3.30 p.m. at the Stuart Scott school grounds, with the second and third games, if necessary, at Sarnia on Saturday, Sept. 13.

RECORD PROPORTIONS

Newmarket—John Hines, Gray Coach Lines supervisor at Newmarket, said this week that bus passenger traffic reached record proportions on Labor Day. "During the morning, we had peak traffic to the Exhibition and in the afternoon, there was a heavy volume of lake traffic," he said. "Saturday was fairly heavy and Sunday comparatively quiet," he added.

children come in here and ask for a certain brand of crayons despite the fact that crayons generally are in such short supply that we don't even order by brands anymore," one said. "We take what crayons we can get." The second manager agreed. "We get our crayons from our warehouse, but we take the brands they are able to send us," he said.

"Parents are not going to spend money before the opening day of school if the teachers are going to change their minds each year," it was said. "The teachers do not give the stores a chance. We have to place our orders for school supplies during the early months of the year in order to be sure of delivery for the following September. Unless the teachers will give us their lists we can only guess at requirements."

"Mr. Jackson told us he hopes to have the recommended books standardized before another year so that all the teachers in each grade in the three schools will use the same book for each subject. In high school there are several different authorized books for each subject and the ones placed on the teacher to choose that which he thinks best.

"That situation arises out of various publishers putting pressure on the department of education. The department, in order not to appear to be partial to any publisher, authorizes all those within reason and from there on it is up to the teacher."

OUT OF EGYPT

Have you ever stopped to think how many good things come out of Egypt? Just now it seems as if nothing but trouble and more trouble is coming out of the ancient land of the Pharaohs. But it was not always so. In the old days some of the greatest things in the world came from there and even in more modern times we have had reason to be grateful for the history in hieroglyphics and paintings which have come from her tombs and temples.

But I was thinking more of Bible characters—men not Egyptians—but in Egypt who were prototypes, only greater spiritually, perhaps, of some men in more modern days.

Look at Joseph, a rich man's son petted, pampered and heaped with favors by his father to such a degree that he was hated by his own brothers. He was a visionary too young to keep his dreams to himself and in the telling them, further antagonizing his own folk.

Introd usually leads to something else even more deadly. In this case it led first to the planning of his murder, then, as a better solution, to his being sold into slavery in Egypt.

Inner Force

To rise from slavery was never easy either in ancient or modern days but there was a tremendous inner force in Joseph that slavery could not shackle.

Conspiracy against his purity and integrity and association in prison with criminals could not touch the core of his belief in his people's God and his own ultimate destiny.

When he rose to power through his interpretation of Pharaoh's dreams, he held no malice or hatred in his heart—he was a beneficent dictator, rather a paradox when we look at the samples of dictators which have moved across history's pages in these later years.

But Joseph's aim was to serve and to save, not to exterminate. The fame of his vast resources of food spread beyond Egypt to the famine-stricken lands and Joseph saved his own kin who had sold him—saved and nourished and enriched and forgave them.

There is something very beautiful and touching and teaching about his absolute disregard for the evil they had planned to do him. There's something God-like in such absolute blotting out—a something we would all like to attain but few of us have enough Christ-likeness to reach. I suppose he was a prototype of U.N.N.R.A., for he fed the hungry, but there was a personal touch about Joseph which, of necessity, must be lacking in an organization, be it ever so beneficent.

Joseph's Wife

I have often wondered about Joseph's wife, for he married the daughter of an Egyptian high priest. In these days with brides coming to Canada from many lands with their Canadian husbands and knowing they must all have problems of readjustment and home-sickness, one goes back with new understanding to Asenath, Joseph's wife.

Joseph's people were shepherds and dwelt apart from the Egyptians—apart in their beliefs—one God as opposed to Asenath's many gods; they lived simply whereas the high priests of Egypt lived in princely style.

I want to know

are you putting away the "old man's" share of your earnings?

Scattered across Canada are many elderly people who receive regular monthly retirement cheques because, while young, they put part of their earnings into Mutual Life of Canada insurance.

We invite you to call and see our representative, or phone him, and let him tell you how you can arrange for a monthly income of any set age.

Of Yonge St. Family, Mrs. J. O. Wilson Dies

Anna Phillips, wife of Dr. J. O. Wilson and daughter of the late Asa and Tammy Phillips, North Yonge St., near Newmarket, died quite suddenly on Wednesday evening, Aug. 27, 1947, in St. Joseph's hospital, Toronto, following a heart attack. She had fallen in her home one week previous and had suffered a broken leg. However, she apparently was making quite satisfactory progress and was in her usual good spirits, her sunny, unselfish disposition being apparent to the last.

Surviving are four sons, Edwin, Bertram, Harry and Fred, Toronto, three sisters, Sophronia (Mrs. Thos. Stewart, Bradford), Lydia (Mrs. Thos. Lewis, Queensville), and Alberta (Mrs. L. Doughty, Florida), and three little granddaughters, Bonny, Jane and Sheila Wilson, Toronto.

The funeral service was held in the chapel of Roadhouse and Rose, Newmarket, on Saturday with interment at Newmarket cemetery. The service was conducted by a great-nephew, Rev. Wm. Bothwell, curate at St. James' cathedral, Toronto.

The massive floral tributes testified to the high esteem in which the deceased was held by her many friends and neighbors.

NEW LEGION 'AUX.' TO MEET TONIGHT

Newmarket — There will be a meeting tonight of the newly-formed Women's Auxiliary branch of the Canadian Legion at 8 p.m. in the Legion club rooms at the Newmarket camp grounds. The auxiliary was started at a meeting on Aug. 20 with 14 members. More members are needed and all wives and mothers of the Legionnaires are welcome.

The purpose of the new organization is to assist the Legion in any way possible and to acquaint Legion wives and families with each other. There are many new families that have come to town and this is their chance to get to know one another.

The executive elected at the first meeting was: pres., Mrs. Donald Brown; sec., Mrs. G. W. Oliver; and treas., Mrs. Charles Gordon. No vice-president has been appointed yet.

This week the following articles were sent to Toronto for shipment overseas: 16 baby gowns, 16 baby booties, 16 baby bonnets, 16 pr. baby booties; six towels, six wash cloths, five baby vests, four baby blankets, 53 diapers, two ladies' nightgowns, one girl's nightgown, eight pr. girls' panties, one girl's slip, six girls' dresses, one girl's knitted dress, one pr. girl's socks;

Five pr. rompers, three pr. boys' pajamas, two boys' suits, one pr. boy's pants, two pr. baby boots, six cans baby powder, ten cakes soap, one lady's coat, one man's coat, two men's waistcoats.

PUBLIC, HIGH SCHOOL ENROLMENT INCREASED

Newmarket—The enrolment at Newmarket high school this year is the highest in its history, said Principal J. W. Lockhart yesterday. Although he could not give any exact figures yet, he estimated the number of students at 370, an increase of 20 over last year.

The increase, however, is fairly well spread through the grades, said Mr. Lockhart. Students are still coming in each day. Mount Albert continuation school has been closed and that centre is operating its own school bus to Newmarket.

The public schools on Tuesday showed a large enrolment and although all the pupils could be seated, there is the problem of large classes. Supervising Principal H. A. Jackson at the King George school said that teachers could not give students the attention they would like to because of too large classes. There may be a few transfers of pupils between King George and Alexander Muir schools, said Mr. Jackson.

LAST SERVICE HELD FOR MRS. ROY SEDORE

Funeral services were held yesterday at the Free Methodist church for Mrs. Florence Mae Sedore who died in Newmarket Monday, Sept. 1. The wife of Roy Sedore, she had been living in Frankford.

Mrs. Sedore was born in North Gwillimbury twp. November 21, 1895, the daughter of the late Mr. and Mrs. William H. Wrightman. She married 29 years ago and leaves besides her husband two children, a son, Gerald, Frankford, and a daughter, Mrs. N. Snyder (Doris), Odessa.

A member of the Free Methodist church, she was active in church work with emphasis upon missionary activity. Following the service at the Free Methodist church, interment was at Queensville cemetery. Besides her family, Mrs. Sedore is survived by five brothers, William, John, Charles, Herman and Ross Wrightman and three sisters, Mrs. Norman Sedore, Mrs. Roy Fountain, Mrs. Lillian Cryderman. Pallbearers were her brothers and Roy Fountain.

W.I. MEETING CANCELLED
The regular meeting of the Women's Institute is cancelled for the month of September. Will all members who wish to come to Snowball September 24 kindly send their names to Mrs. Geo. Luesby. Also those who wish to take the glove-making course on December 3, 4, 5 please notify Mrs. Luesby at once.

Parcels for the shower for the box for Britain for September will be left at Mr. Molyneux's store.

Congratulations to Mr. and Mrs. John P. White on their eighth wedding anniversary on Sept. 4. Mrs. White was formerly Gertrude Emily Green of Bracebridge.

Interesting Reading For Everyone

Young Hopefuls

New House Robs Security

Karen was four years old at the time she began complaining about going to bed. It was at that time the family moved to a larger house to accommodate a new baby sister. Then, too, a new girl came to look after Karen while mother was always busy with baby Barbara.

In the larger house the bedrooms were upstairs and Karen couldn't hear the usual sounds of conversation and movement in the living-room. She felt far away from everyone and that frightened her.

Karen simply screamed when left alone in her room. Everything possible was tried—reading, story telling, taking toys to bed, then bribes. Bribes just kept her quiet long enough for the family to settle itself for the evening—then the howling would begin.

Finally A Spanking

Eventually, father resorted to corporal punishment in the form of spanking. Spanking left large welts and hurt everyone; besides, it didn't get at the seat of the trouble. Karen finally did stop fighting bedtime because she was afraid of the spankings. However, more trouble resulted. She started having nightmares and usually dreamed a wolf was chasing her so he could spank her. Karen wasn't getting the proper amount of sleep and became irritable and nervous during the day. Life wasn't worth living for anyone in the household.

Karen was lost in the new house and felt lonely because mother spent most of her time with the baby. The new girl didn't understand Karen's behavior and made matters worse by calling her a "spoiled bad girl". Karen was reacting as children do when they lose that feeling of security so essential to them. There were too many adjustments for Karen to make them all at once.

Finally, mother was able to spend more time with Karen. She even lay down with her at bedtime with the lights off and talked quietly with her. It took almost two years for Karen to get over her fear of being left upstairs alone at night. Now Karen and Barbara share the same room and have a quiet talk before sleep each night.

Until baby Barbara was old enough to play and talk, Karen needed her mother very close to her. These days Karen is happily busy playing mother to younger sister and is often heard to remark, "Don't be afraid, Barbara. Karen's with you".

MARK ANNIVERSARY

Newmarket — On Saturday, Aug. 30, a happy evening was spent at the home of Mr. and Mrs. Jos. McGhee, Yonge St., to celebrate the 25th anniversary of Mr. and Mrs. John McGhee, Hamilton. After the usual congratulations all adjourned to the dining-room where a beautiful dinner and tea service was presented to the bride and groom. Mr. McGhee, on behalf of his wife and himself, thanked the company for a pleasant surprise. Then all sat down to a delightful banquet table set with pink phlox in silver vases. The rest of the evening was spent in song and happy fun, Master Billy Williamson and Master Bobbie McGhee being the soloists. Before the party broke up, a ring was formed around the bride and groom and all joined in singing heartily "For They are Jolly Good Fellows."

ST. PAUL'S CHURCH

The Ladies' Aid of St. Paul's church held its monthly meeting on Tuesday of this week at the home of Mrs. James Hiller, Davis Dr.

The flowers on the altar last Sunday, white gladioli, were placed there in memory of Lilian Wildfield by her sister.

Next Thursday the Diocesan board of the Woman's Auxiliary will hold its monthly meeting at St. Paul's church and parish hall. About 300 are expected. Rev. W. F. Wrixon, St. Mary's, Richmond Hill, the rural dean of West York, will give the address at the noon-day service in the church.

those women interested in the various hobbies and even though they, too, are busy women they have time for these groups. We have seen the results of several interesting pageants. The Queen visited the finals this spring and quite enjoyed them. I think we could well adopt this idea for our Institutes.

"One question we are asked quite often is 'What game do you women like to play most in their social half-hour?' Over here they have a wonderful time playing charades, folk dancing and having a lively time generally. Also, each Institute has a 'special outing' once a year at least. They may go to the seashore or take a sight seeing tour (as our friends from Water Eaton, Bucks, Co. were doing when we met them at Windsor Castle).

"In between Women's Institute contacts we have visited some beautiful cathedrals and abbeys. Last Monday we had lunch in the cloisters of Westminster Abbey and day before yesterday we had lunch among the ruins of Glastonbury Abbey (where good old King Arthur of the round table was buried). How we loved the red Elizabethan costumes of the 'Beef Eaters' at the Tower of London (where poor Anne Boleyn and hundreds of others had their heads chopped off).

"We spent two wonderful days in Oxfordshire, the guests of Hon. Elsie Corbett, a sister of Lord Rowallan (who has taken Baden Powell's place as chief scout). While in Oxfordshire we appreciated so much the kind hospitality of Lady Tweedsmuir as she entertained us to lunch.

"At Stratford-on-Avon we saw 'The Merchant of Venice' in the memorial theatre and visited Shakespeare's home and burial place.

"We have seen many, many beautiful cathedrals which I cannot begin to describe in an airmail letter but which I hope to tell you about when I have my film slides developed.

"Tewkesbury was very impressive with its beautiful Norman arches and gothic additions. At Burford, the great wool growing centre, we were quite taken with the 'wool pack' tops to all the tombstones and at Oxford University the beautiful old library which dated back to 1379. The oldest book in this library dated back to the ninth century.

"On Sunday, after visiting Bath Abbey and the wonderful Roman hot springs, we drove down to the sea at Lyme Regis and what a wonderful thrill to view for the first time the English Channel and those wonderful cliffs about which we have read so much.

"Back to London via Stonehenge and Winchester Cathedral our party reluctantly said 'au revoir' to Miss Christmas and started out on our own, driving an Austin 10, up into Wales.

"And here in Wales, as elsewhere, we find the women wonderful. Most sincerely yours, Anna P. Lewis."

AURORA MAN WED IN NAPANEE

Tall baskets of pink and white gladioli adorned the chancel of St. Mary's Magdalene Church when Maybelle Norino, youngest daughter of Mr. and Mrs. F. H. Pringle, Napanee, became the bride of Roy Thorn, only son of Mr. and Mrs. Frank Lacey, Aurora, Ont. Archdeacon Dumbrille officiated. Prof. Eppes played the wedding music and Mrs. Aubrey B. Pringle was soloist.

Given in marriage by her father the bride looked lovely in a white slipper satin gown and finger-tip length veil, held by a halo of orange blossoms. She carried a beautiful bouquet of red roses and her only ornament was a three-strand necklace of pearls, the gift of the groom. Mary Lacey, Aurora, sister of the groom, was bridesmaid and was prettily gowned in Alice blue silk jersey with matching veil of tulle held in place by a bandeau of blue flowers. She carried a bouquet of pink carnations and bridal rose. Mr. Harold Pringle, brother of the bride, was best man. The ushers were Ross Pringle and James Black, brother and brother-in-law of the bride.

An informal reception was held at Hotel Paisley where the bride's mother received wearing brown crepe, brown hat and gloves, and a corsage of gladioli petals. The groom's mother assisted wearing a black crepe dress with lace matching hat and a corsage of gladioli roses. The bride donned a black and white silk suit with matching accessories and a corsage of white gardenias for travelling. After a motor trip through western Ontario and United States, the couple will reside in Montreal.

Pair Held For Judgment In Sutton P.O. Break-In

Newmarket—Alvin Taborn, 22, and Evelyn Taborn, 28, were remanded in custody for one week for judgment following their trial in magistrate's court here on Friday on charges of receiving cash, postal notes, postage stamps, unemployment insurance stamps, money order blanks, registered mail, two date stamps, and the registered mail receipt book, which were stolen from the Sutton post office on August 16. They were also remanded for trial at the request of Crown Attorney Arleigh Armstrong on charges that they broke into the post office and stole the goods. Alvin Taborn pleaded guilty to the receiving charges but Mrs. Taborn, alias Evelyn Hubbert, pleaded not guilty. Magistrate O. S. Hollinrake, O.B.E., K.C., presided.

Clifford Thompson, postmaster at Sutton, said the caretaker had informed him of a break-in at the post office at approximately 7.45 a.m. "I arrived at the post office at 8 a.m. and found that a rear window had been forced and the safe broken open. My assistant and I are the only ones who know the combination of the safe."

"August 15 is accounting day at the post office, so that I had a record of all the money orders which had been sold prior to the break-in, and I also had a record of all those which were stolen. I stamp all money orders with the office stamp myself." Thompson identified four full books and one part book of money orders produced in court by the numbers. He said each book contained 200 money orders, and that a total of 814 had been taken.

Each Potentially Worth \$100

"Each money order was potentially worth \$100. All but one were recovered," he said.

Thompson also identified a quantity of postal notes and the folder which contains them, two date stamps, and a box containing stamps. He said that approximately \$20 cash and four registered letters were also taken.

Constable R. Lewis of the Toronto Morality squad said that on Monday, Aug. 18, accompanied by two other constables, he had visited the rooms of the accused at 272 Adelaide St. W. In answer

to our knock, the accused woman answered the door. We searched the room, and found two suitcases in the cupboard, which she said belonged to her and her husband. We opened one and found that it contained both men's and women's clothing. Underneath the clothing we found a newspaper parcel containing four full books and one part book of postal money orders. I asked her what they were and she made no reply.

"There was also a folder containing postal notes, two stamp pads, two date stamps, and the cigarette box containing the stamps. In the drawer we also found a sheet of 50 four-cent stamps."

"About a half hour after we arrived in the room the accused man was brought to the room by Detective Thom and Hunt. I suggested seizing the suitcases, and discussed the matter with Thom and Hunt. The accused man then said 'It is my suitcase, why bother with it?' We seized the suitcases, and the articles produced in court were those in them. I later turned them over to Detective Allen Wallace of the York County police."

Wallace said he obtained the articles from the previous witness, and took the accused into custody. "I later gave the article produced to Detective W. Martindale. We cautioned and questioned the two accused separately." He said that Alvin Taborn had made a statement but had not signed it. The statement was admitted. According to the statement Taborn told Wallace he "got the stuff from a friend, Bill Kelly, who lives in the States. I knew they were stolen, but I was just keeping them for a friend of mine. I don't know anything about the break-in. I was at home that night."

Mrs. Taborn's statement read that she "knew hardly anything." She described the entry of the police and their search, but said she "had never seen the money orders before." She said her husband had gone out on the night of the robbery, but that she did not know where he had gone or when he had returned. Crown Attorney Armstrong said he believed the woman knew the articles were there and had been stolen.

MAGISTRATE'S COURT Car, Liquor Charges Featured In Court

Newmarket—Mrs. Marjorie L. Grew, Lansing, pleaded guilty to a charge of careless driving in magistrate's court here on Friday morning after the charge had originally been laid against the car's owner, W. Roddy. Magistrate O. S. Hollinrake, O.B.E., K.C., presided.

Constable George Foster said that at about 6.55 p.m. on July 1 a car had passed him on the Hedge Road at a reckless speed. "I followed the car and it continued to speed around several dangerous curves and across a narrow bridge. I thought it was a man driving. There was a lot of traffic," he said.

Mrs. Grew said she had been at Lake Simcoe over the holiday weekend and had been placed in a position where she needed a bigger car than her own. "Roddy offered the use of his car in exchange for mine and I was returning his car to him on July 1. I was in a hurry because it was time for my baby's feeding." She was fined \$50 and costs.

James Kitchen, Toronto, said he would take the necessary steps to see that the incident did not occur again when his son was convicted of careless driving at Virginia Beach.

Constable Lawrence O'Neil said young Kitchen had been driving with two people on each running board. He was fined \$10 and costs.

Thomas Townson, Toronto, charged jointly with Gladys McIvor, Campbell McIvor and Marjorie Henry, all of Toronto, with having liquor in a car at Aurora, took the responsibility of ownership of the liquor and was fined \$10 and costs or 30 days. Similar charges against the other three were withdrawn. Constable William Langman said that when he stopped the car none of the three occupants would admit ownership.

A charge of careless driving against Gerald Halpern, Toronto, was dismissed when Constable William Burke, Sutton, said the driver of the other car involved in an accident had not appeared in court.

William B. Main, Toronto, William A. Nealy, Toronto, Arthur Kennedy, Port Credit, and Mrs. Edna Trebell, Toronto, were each fined \$10 and costs when they were convicted of having liquor in cars. Constables Aubrey Fleury, George Foster, Wm. Hill, Sr., and George Foster laid the respective charges.

Miss Louisa Folkeard Dies Suddenly Aug. 23

The death of Miss Louisa Folkeard occurred suddenly at York County hospital on Saturday, Aug. 23. She was the eldest daughter of the late John and Tilly Folkeard.

Miss Folkeard was born at Elgin Mills but had lived in Newmarket many years. Interested in her home and her flowers, she lived a quiet life. Rev. L. J. Lako conducted the funeral service from the chapel of Roadhouse and Rose on Monday, Aug. 25.

Mrs. Francis Sheridan and Miss Winnie Cumber sang a favorite hymn of Miss Folkeard at the service. The pallbearers, all nephews, were Gordon, Norman and Herbert Folkeard, Archie Robinson, Bruce Dillman and Ronald McKewen. Interment was made at Newmarket cemetery.

SAY FAREWELL

Aurora — Members of Aurora Board of Trade and Aurora Lions club gathered at Ridge Inn August 27 to honor George Moody, manager of the Bank of Montreal, who has left for Bowmontville. A banquet was held, and a presentation and social evening followed. Warm tribute was paid to Mr. Moody's fine contribution to civic betterment by the gathering.

it gets **SMACKED** 1000 times a minute!

EVEN at normal cruising speed, the pistons of your car take a cruel licking. With each explosion one of them gets smacked down with pile-driver force—pressure runs more than a ton and a half. Heat builds up to 600° and higher. And the pistons take this hours on end—one thousand smacks and more every minute.

Aluminum pistons are made to stand this sort of punishment, and more. That's why they are used in airplane engines, too.

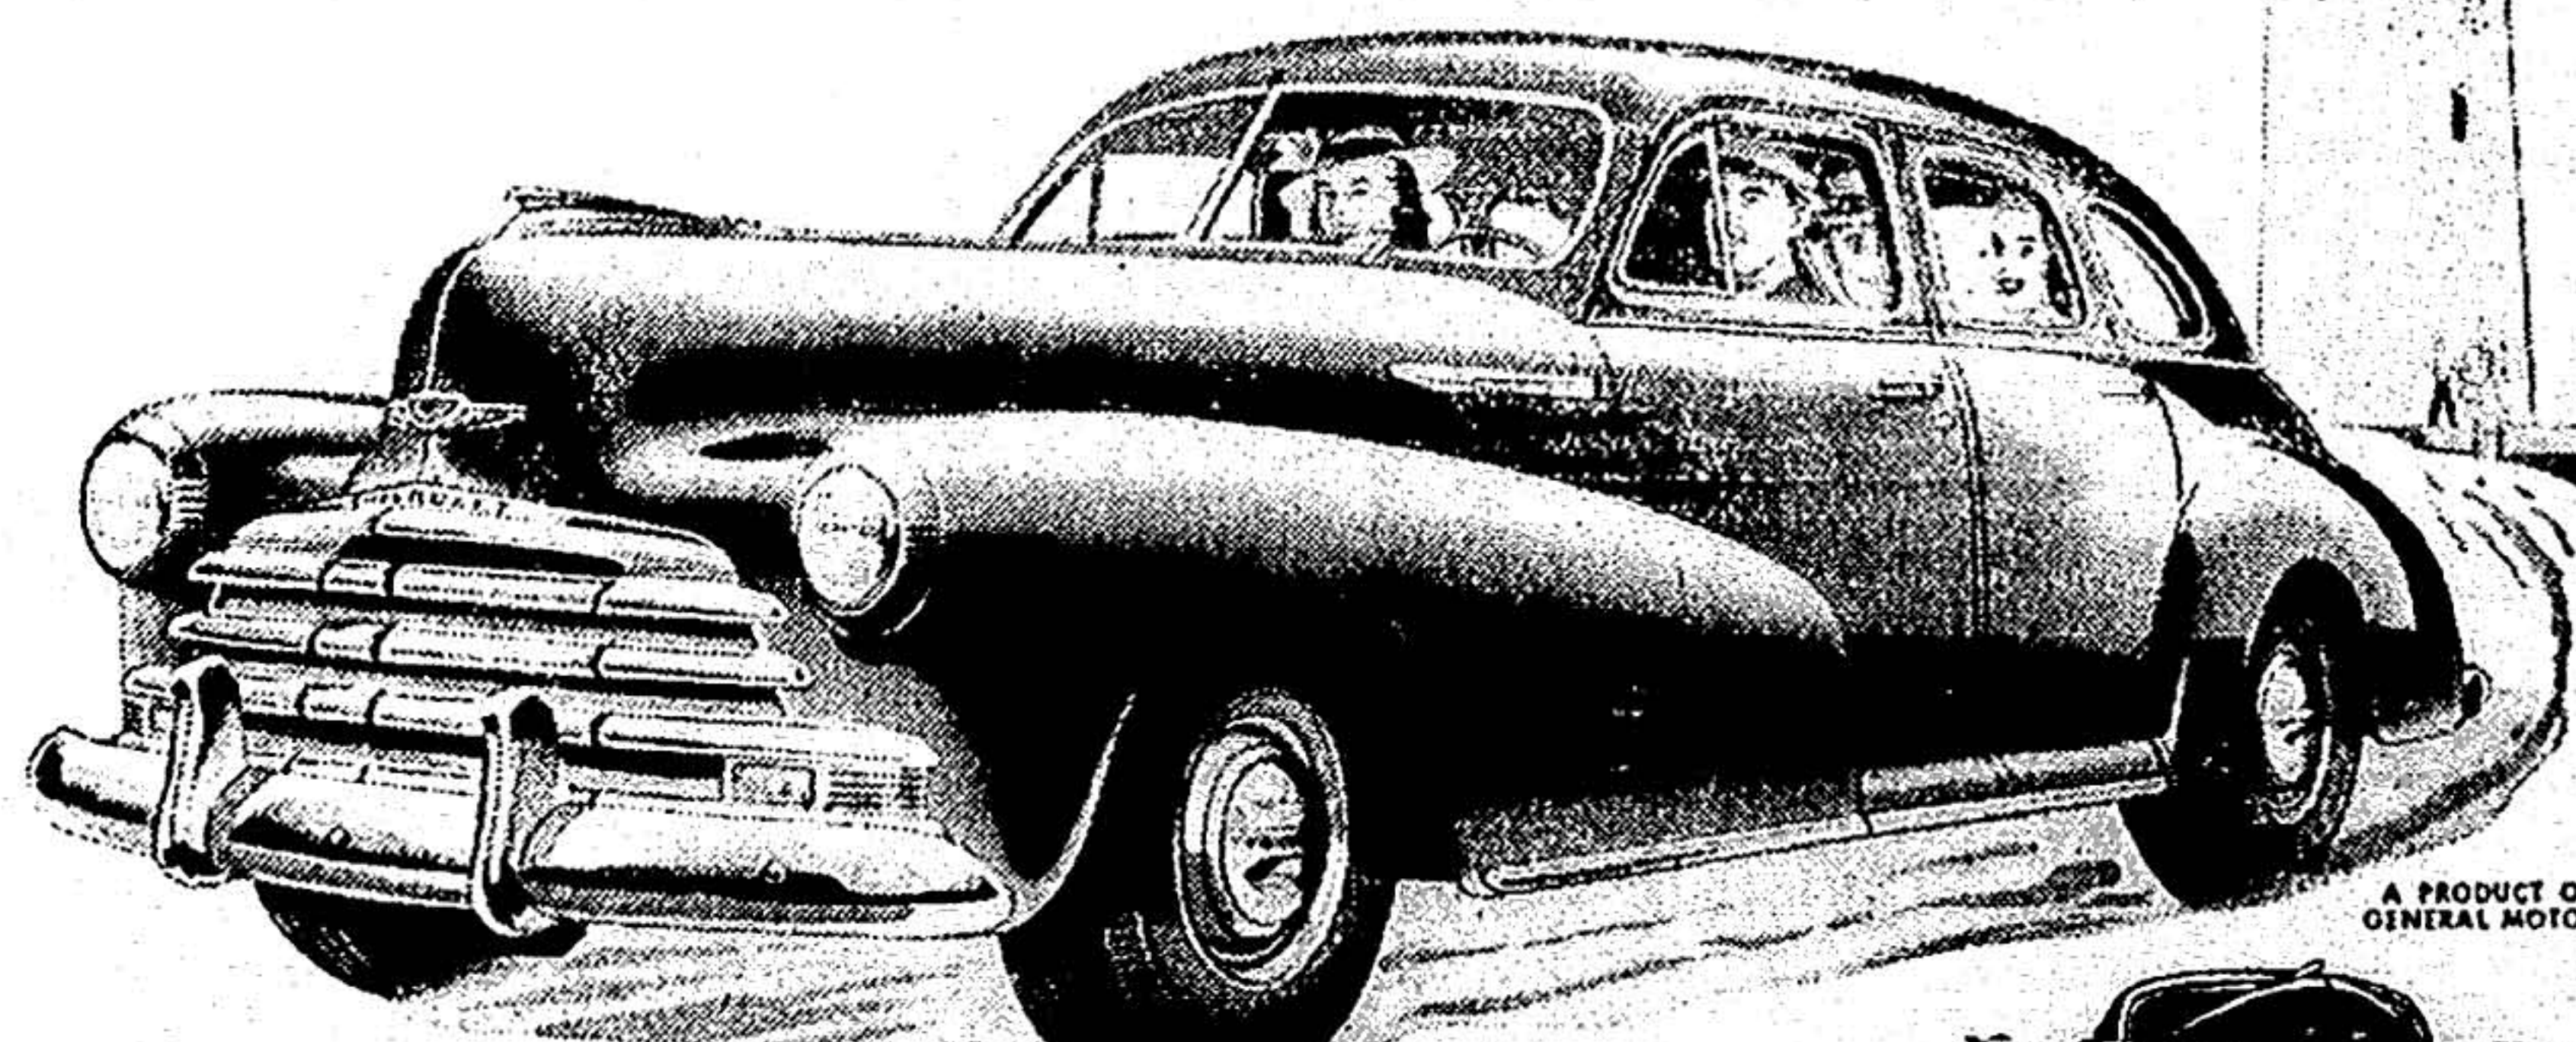

Another reason is their lightness, which in turn means power economy. Here's why: You can push a modern, lightweight aluminum vacuum cleaner back and forth with almost no effort. (An engineer would explain it in terms of low inertia.) And inertia is important in a piston, which must reverse its direction every split second. The less force needed to stop it and head it the other way is that much power saved to drive plane or motor car with that much greater pep and speed.

New alloys—new applications

Aluminum Laboratories Limited, our associated company, is continually working on new alloys for new uses. This is just a small part of the all-round research which metallurgists, chemists and engineers carry on in the largest commercial research laboratory in Canada. Their efforts are of direct benefit to Canadian manufacturers, supplying answers to a thousand scientific and production problems. You benefit too—in new products, better products, less expensive products made with aluminum.

All these thrills are yours when you own this one car giving BIG-CAR QUALITY AT LOW COST

Here are all the major thrills of motoring combined in one outstanding automobile—the new 1947 Chevrolet. Big-Car styling—Big-Car comfort—Big-Car performance—and big savings, too! They're all yours in this only motor car giving BIG-CAR QUALITY AT LOW COST.

One look at this smartly styled body by Fisher will tell you it's the most beautiful motor car body in its class—both inside and out. It's extra roomy, extra comfortable, and extra safe as well. It's one of the many Big-Car advantages found only in Chevrolet and higher-priced cars.

In the new Chevrolet, riding is like cruising in perfect weather. Your trip is so smooth, so steady, so enjoyable! You ride in solid, balanced comfort over all types of roads, with Chevrolet's famous Knee-Action Gliding Ride—exclusive to Chevrolet and higher-priced cars.

Count on half-trigger getaway—power for any hill—all the speed you'll ever need! For this new Chevrolet boasts a Valve-in-Head Engine—the extra-efficient type of engine—giving maximum results from every gallon of fuel. Remember—Valve-in-Head performance and reliability are exclusive to Chevrolet in the lowest price field.

Be wise! Keep your present car in good running condition by bringing it to us for skilled service at regular intervals, until you secure delivery of your new Chevrolet. Come in for a complete service check-up today!

Rub Preston (F.O.)
Cliff Ward (Sharon)
Doug Ross (Mt. A.)
Doug Eves (Hope)
Floyd Breen (Hope)
Bob McNern (Hope)
Charlie Green (Mt. A.)
Honorable mention: Lon Canton (Sharon), Ross Chapman (Queensville), Vern Pegg (Mt. A.), Ed Tidman (F.O.), Don Glover (Sharon), Jack Kavanagh (Queensville), Shropshire (F.O.), Ash (F.O.).

We finally closed the polls in the southern section all-stars of the Lake Simcoe league after five out of seven selectors had made their choices. Actually, with the possible exception of the outfield and second base, the results would hardly have been changed by two more votes per position. Three players were unanimous choices for the first team and most necessarily rate as the top trio of the circuit. Ken "Red" Mitchell, speedballer of the Mount Albert team, Doug Ross, youthful third-sacker from the Mount, and Doug Eves, the Hope shortstop, were favorites with all and over the season their work merited the votes. Eves, who doubles in brass with Newmarket Vets, probably played more softball this season than any other player in the district. Dominate Group

In team strength as the season indicated, three teams, Mount Albert, Pine Orchard and Hope

dominated the group and there wasn't much difference between them. It will be noted Mount Albert placed seven players in the first 18, Hope had five and Pine Orchard four. Brother acts are noted as three Eves full down awards and two Prestons and two Cases are approved for their work. Roy Eves of Hope, the hardest hitter in the group, was overshadowed by his brother Doug at short and obtained votes for second and third, not enough to win either.

That the lay-off in war years has not hurt the playing ability of most is well indicated as with the exception of Ross and Bob McNern, all the first and second team were going strong four years ago. McNern, versatile Newmarket high school athlete, was the leading outgarden according to the votes. It was a close fit all the way around for the second team outfield. At second base the veteran Cliff Ward and Kelly Case were tied on points but Ward was the most consistently picked and he gets the nod for the first team. Queensville, we understand, had the youngest team, not counting Ross Chapman, in the league and they will be heard from another year. Sharon had a team that lacked only one or two more players. Lon Canton was popular with most and along with Don Glover just barely failed to catch on.

Fine Competition
The southern section enjoyed a fine season of competition and team for team were slightly higher in calibre than the north section. We regret that we can't publish a list for the north—the selectors failed to come through as requested. We would also have liked to have seen one team picked from the entire league. It might be an idea another year for the two groups to play a double schedule among themselves and a single interlocking schedule between groups. Fans and players would probably welcome that idea.

If we had asked the boys to name a coach we are pretty certain the hustling George Allison of Mount Albert would have been chosen. As to the quality of ball played in what the urban folk call "the sticks", it might be well to remember that Doug Eves, Don Glover, Ed Tidman and Bill Dike all proved their worth in the North Yonge league and there were doubtless others who could have done likewise. A play-off between the winners of all softball leagues in the county, exclusive of the city and lakeshore, as is done in Simcoe county each year, is something that could be arranged for the future. Schomberg, Thistleton and Buttonville all had squads that would provide fine competition.

DOWN THE CENTRE
By AB HULSE
LISTEN TO THE GREEN GRASS GROWING!
Pure dynamite was the blow delivered by youthful Mary Ellen MacInnis on Saturday at Port Credit as she stepped to the plate with Newmarket two down and two runners on sacks in the ninth. Mary Lou Millions, pitching for Port Credit, along with the whole Port team, figured on "Tiny" bunting as she had twice before and so Mary Lou sent down "a melon" for Mary Ellen to make sure she did just that. The hustling cannalton outfielder outguessed everybody as she took a healthy cut at the ball and dropped a line hit into right field for a homer. The three runs scored made it 7-5 for Newmarket and sent the team to the P.W.S.U. finals against Sarnia. What a scene as teammates hugged, kissed, pounded and nearly strangled Mary Ellen and many of the spectators did likewise. The picture of that hit will remain in the minds of those who saw it for all time to come and Mary Ellen better cut out this bit to show her grandchildren. The whole Newmarket team played their hearts out for coach Chuck VanZant. Charlie has complete harmony and there's no nagging, regrets nor envious among the girls. Mona Dean, who over the season must rate pretty high on the honors list, caught a superb game and thinks "like a boy" when the chips are down. Just the same "Diz" almost became the goat of the series as with two out she unexpectedly whipped the ball to first base to nip a runner. A mighty dangerous play but one that might have clicked. In place of an out, the ball went to right field and what looked like the winning run scampered over the plate. Marg VanZant was elected captain of the team before the game started, being the unanimous choice of her mates. Lois Manning and Mary Osborne delivered four-ply clouts for Newmarket as well as Mary Ellen, while Port Credit also had a couple of circuit hits. Just so you'll know where the credit goes and who to invite to that big civic reception which the town fathers at Newmarket will doubtless stage for the team, the red and gold line-up is as follows: c, Mona Dean; p, Hester Clark; 1b, Marg VanZant; 2b, Phyllis Osborne; 3b, Mary Osborne; ss, Lois Blight; lf, Mary Ellen MacInnis; cf, Lois Manning; rf, Edna McGrath; utility, Jean Staley, Marg Heise Tomlinson, Barbara Bell and Norma Balsdon.

Newmarket Vets and Richmond Hill passed out of the O.S.A. series on Saturday at New Toronto, the starchy Legion team won an 8-2 verdict while at the Hill, Cooksville pounded out a 9-10 victory. The Vets were mentally jinxed before they started and played that way for two innings. Bill VanZant pitched nice ball and the team settled down finally to make a real fight of it for seven frames. Teddy Bennett, veteran pitcher of the Hill, received a wire ordering him to do a quick repair job just before the Cooksville game started and manager Charlie Ryan was left holding the bag on the pitching mound as the football score indicates. Neither the Vets nor the Hill could have expected to go very far in the O.S.A. with their present rosters. We do agree, however, that New Toronto should not be classified in B but stepped up to A. It's not much good thinking that, however, for the Lakeshore winners since Cam Ecclestone bested Alex Webster as Long Branch eliminated the Redmen over 15 years ago.

Stouffville came through with a neat effort against Bowmanville on Saturday, winning 7-2, as Bowmanville made seven errors. There's not much doubt but that George Smith's charges will get by the first round. Aurora has received word that they meet Milton in the next round and the dates are elsewhere on this page. Milton will be as tough as the Simmons clan will meet as they were finalists last year. The winner meets Napanee and from there reaches the finals. Markham is awaiting either Preston or Goderich in the midget series and they have but one series after that to win a championship. Of the three district teams competing for O.B.A. honors, Markham is generally conceded the best chance of proceeding farthest.

FOR THE RECORDS
No sooner had last week's issue hit the street than Leonard Simmons anched us to recall that Harry Couse pitched a no-hitter in the 1942 York-Simcoe softball play-offs against Richmond Hill. Simmons reminded us, too, that we had scored the contest and our face was red as memory played a quirk on us. So Joint McComb's feat against Aurora marked the second occasion a goose egg was recorded against opposing batters. Apologies to Aurora juveniles for no publicity last week. It wasn't our fault though, as the story went astray in some manner. First time this year these deserving youngsters haven't had a line and we hope this week's spread makes up for it.
Harry Milroy, the Markham hockeyist, is playing smart ball this year for Bayes of the Scarboro intermediate circuit. Jerry Junkin, a former Markham junior, is playing with Bayes too, while Routcliffe, the good centre player of two years ago, is with the Nicodaemus team of the same circuit.

Homer In Eighth Breaks Tie To Win Whitby Series

Aurora juniors advanced into the O.B.A. juvenile semi-finals against Milton as they defeated Whitby in the rubber match of their series 5-3 at Stouffville last Thursday night.
Jack "Lefty" Andrews not only pitched Aurora to a win, but saw to it himself that the artillery should be firing at the right time as he slammed out a homer in the top half of the eighth with Loring Doolittle aboard. That blow spelled defeat for Whitby for they began to stall for darkness with the result that Umpires Case (Aurora) and Quinlan (Whitby) warned the Ontario county boys and finally awarded the game to Aurora.
Aurora opened the scoring in the second as Ron Simmons doubted, took third on Doolittle's infield out and scored on Andrews' fly. They added another in the fourth as Stundon pumped out a hit and came home on Simmons' infield out. In the fifth Billy Neat did some smart base-running. After beating out a hit, Neat took second on Palmer's sacrifice bunt and scored as he drew a wild throw to second. The Whitby team meanwhile had garnered three runs in the last of the fourth as they had three hits in a row, coupled with a walk and two outs. The eighth opened with the two teams tied. Aurora made nary an error while Whitby dropped only once into the miscue column. Jim McDonald took the place of Mar Clement behind the plate and did a great job. Palmer of Newmarket added strength to the Aurora cause in the outfield.
Aurora's Stundon 1b, Kyle ss, Simmons 2b, Doolittle 3b, Andrews p, Neat lf, Palmer rf, Simmons cf, McDonald c, McGhee cf.

Newmarket Ladies In Finals Vets Shut The Door 5-0 To Keep In Trophy Hunt

By GEO. HASKETT, JR.
Newmarket Vets came back into the hunt for the J. L. Spillette trophy and North Yonge softball title in a big way on Tuesday evening at Pantry Park. Behind the four-hit pitching of Bill VanZant, the McDonald men shut out Langstaff 5-0. The locals by their impressive win proved conclusively that Bill Bowen, Langstaff's fire-ball hurler, could be beaten. As the series now stands Langstaff holds a two-one advantage with the series resuming tonight at Langstaff. A win for the conat-town forces will tie the series.
The Vets stepped into the offerings of Bill Bowen for eight hits, first-sacker Moe Walsh and short-stopper "Joint" McComb leading the parade with two

each. Backing VanZant's four-hit hurling, the men of McDonald came up with several fielding gems. Left-fielder "Mickey" Smith dragged down three nice catches. Centre-fielder Harvey Gibney stole the show in the fifth to pick off Armstrong, who tried to go all the way from first to third on a single. Moe Walsh stole a hit off the bat of Healy in the sixth, going high to spear his line drive. "Peuchez" VanZant, behind the dish, caught a good game to help Brother Bill chalk up his shut-out.

Newmarket started off in a big way in the second frame to rap Bowen for three hits. "Joint" McComb singled to get proceedings underway. Chuck VanZant got aboard on an infield error. Freddie Evans hit safely to populate the bases. Bowen's control faded at this point as he walked Freddie Dillman to send home McComb with the first run. Moe Walsh followed with a looper over third. It was good for two runs, Chuck VanZant and Freddie Evans scoring.

In the fourth, Moe Walsh came through for his second single and tallied when Normie Legge rifled a double into left centre-field. The final run went to Freddie Dillman. Freddie dropped a perfect bunt in the sixth and advanced to third on two passed balls and completed the trip on Moe Walsh's infield out.

Bill VanZant hurled winning ball. In the seventh, the visiting Yonge St. Jads came nearest to breaking his shut-out. They loaded the sacks on successive singles by Hughes, Armstrong and Russell. VanZant settled down and forced LeRoc and Sonny Charles to fly out to "Joint" McComb at short-stop. Pitcher Bill Bowen made the final out by forcing Armstrong at third. The McDonald men move into Langstaff for the fourth game of the series tonight. A win will tie the series at two all, with final game on the local diamond.

A line drive which stretched into a homer by the youngest member of the Newmarket Ladies' softball team brought Newmarket from behind to win against Port Credit Saturday by a 7-5 score.
Mary Ellen MacInnis' blow came in the opening of the ninth with two on base and two out, and Newmarket on the tail-end of a 5-4 score. The Port's expected a bunt and had pulled their infield in close when Mary Ellen wound up and let go with the blow that put the ball game in the bag.
The Newmarket ladies now play Sarnia in the P.W.S.U. finals with the first game carded for Saturday afternoon at the local park.
Newmarket led by one run until the seventh inning when a throw to first by catcher Mona Dean misfired and let a run in to tie the score a 4-4. In the eighth, Port Credit squeezed out another run and appeared headed for a win until the ninth when Mary Ellen's blow brought in three runs to give Newmarket its victory.
Helping the cause were Lois Manning and Mary Osborne who both poled out homers.
Marg VanZant captained the victorious red and gold. The team line-up was: c, Mona Dean; p, Hester Clark; 1b, Marg VanZant; 2b, Phyllis Osborne; ss, Lois Blight; lf, Mary Ellen MacInnis; cf, Lois Manning; rf, Edna McGrath; utility, Jean Staley, Marg Heise Tomlinson, Barbara Bell and Norma Balsdon.

PRODUCE PEACHES ON DAVIS DR. FARM

Newmarket—Mrs. Roy Watson, Davis Dr. E., has a peach tree in her garden which she grew from a pit planted seven or eight years ago and this year the tree had nine peaches. "The peaches are lovely," says Mrs. Watson who is proud of the fact that she has grown peaches where no one expects peaches to prosper.
One of the peaches measures nine inches in circumference. The tree is some 15 feet high. Mrs. Watson, an enthusiastic gardener, says the tree had a lot of growth this year.
